Safety Instructions:

- This lamp is not a toy. Please keep it away from children.
- Keep all products away from liquid, chemical or heat.
- The lamp is for indoor use only.
- The LED will get hot after several hours of continuous use. Therefore, do not place your hands directly on the LED.
- If the lamp is damaged, e.g. the power supply or LED, please turn off the lamp immediately and do not attempt to open the external adaptor or repair the lamp yourself.
- Unplug the power supply when the lamp is not in use.
- Lamps with transformers may be operated with the original transformer only.
- If you give this lamp to someone else, always include this instruction manual.

All Lamps are Hand Assembled and Unique:

Each and every Hoptimist is hand assembled with some degree of uniqueness. They may have smaller variances in height due to spring tolerances and variances in direction etc. However, you can be absolutely certain, that all Hoptimists are equally joyful. In case you have received a Hoptimist, that is not up to standard or has suffered damage during transport, please return it where you bought it for any replacement.
